Posters may describe applied or theoretical
research that is completed or underway; discuss
interesting archival collections with which **early-
career professionals (*less than 5 years of
employment) and students** have worked on; or
report on archives and records projects they have
participated in (e.g., development of finding aids,
public outreach, database construction, etc.).

Submissions should focus on research or activity
conducted within the previous academic year.
Students will have the opportunity to discuss their
poster with meeting attendees for 30 minutes on
Friday, May 22, at 3:00 pm in the conference
hotel.

Easels will be provided. Poster presenters must
register and secure institutional or personal funding
to attend the Annual Meeting. Easel dimensions: 36
inches by 48 inches (vertical format; clip at top to
secure poster with shelf at bottom to stand poster.
Poster can be mounted or unmounted).
